Gardner Street is the historic name of Henners' home village of Herstmonceux. The old name captures the hand-harvested, artisanal craft of tending vines & wines down English country lanes. A modern marriage of bright Pinot Noir and plush Pinot Meunier.

Henners Gardner Street Rosé Pinot Noir Pinot Meunier 2022

EHN055 HENNERS EAST SUSSEX, ENGLAND

PRODUCTION

Blended from specially selected plots in Sussex, Kent and Essex chosen for their ripeness and fruit profile. The fruit was harvested and pressed individually before cold maceration overnight to draw out colour and delicate fruit flavours from the grapes. Cool fermentation in stainless steel helps deliver a beautifully textured and delicate rose with a crisp refreshing finish and packed with red fruit character.

TASTING NOTE

Pale salmon colour with a bright nose of crunchy red fruit including wild strawberry, redcurrant and cranberry. On the palate there is a gentle zing of pomegranate, raspberry and strawberry giving a great lift to the finish.

FOOD MATCH

Clam linguine with a splash of Gardner Street Rosé in there, anything with prawns or a beef carpaccio.
