

# THE WHALE WATCHER

SAUVIGNON BLANC

## What

A vibrant and concentrated Sauvignon Blanc from New Zealand.

## Where

From the beautiful South Island, close to the Tasman Bay area.

## Winemaking magic

The fruit is gently pressed, cold settled, and cool fermented with selected yeast strains to enhance the unique aromatics and flavours.

## Whet your whistle

A bright and subtly lemony wine with notes of grapefruit, pineapple, and an underlying classic tropicality. The palate is pure and well structured, with a tasty, almost salty finish. A juicy pineapple dressed in a fancy suit.

## Who

Due to its noticeable coastal influence, this wine is a fresher and more linear take on New Zealand Sauvignon Blanc. This will suit people who have previously been shy about New Zealand's powerful flavour profile, or anyone wanting to explore the versatility of New Zealand Sauvignon Blanc.
